DETAILED ACTION

Allowable Subject Matter

1. Claims 1-19 and 24-38 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Referring to claim 1: The prior arts on the record do not disclose or explicitly teach transmitting and receiving data packet formatted in IEEE 1394, wherein a controller attaches an ID header to the data includes identification information corresponding to a recipient device determined based at least in part on the transmitting device.

Referring to claims 2-10: Claims are allowable because they incorporate the parent claim's allowable subject matter.

Referring to claim 11: The prior arts on the record do not disclose or explicitly teach transmitting and receiving data packet formatted in IEEE 1394 on a same broadcast channel, wherein a controller attaches an ID header to the data includes identification information corresponding to a recipient device determined based at least in part on the transmitting device.

Referring to claims 12-19: Claims are allowable because they incorporate the parent claim's allowable subject matter.

Referring to claim 24: The prior arts on the record do not disclose or explicitly teach transmitting and receiving data packet formatted in IEEE 1394 on a same broadcast channel, wherein a controller attaches an ID header to the data includes identification information corresponding to a recipient device determined based at least in part on the transmitting device.

Art Unit: 2111

Referring to claims 25-32: Claims are allowable because they incorporate the parent claim's allowable subject matter.

Referring to claims 33-38: The prior arts on the record do not disclose or explicitly teach transmitting and receiving data packet formatted in IEEE 1394 on a same broadcast channel, wherein a controller attaches an ID header to the data includes identification information corresponding to a recipient device determined based at least in part on the transmitting device.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
